Leader: Happy are those who do not follow the advice of the wicked, or take the path that sinners tread, or sit in the seat of scoffers;

**People: But their delight is in the law of the Lord, and on his law they meditate day and night.**

Leader: They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither. In all that they do, they prosper.

**People: The wicked are not so, but are like chaff that the wind drives away.**
